

Leadership Levelland

Leadership Levelland
Expectations & Requirements

Punctuality

Students are expected to be on time for class and other activities. The speakers for this course have been arranged at great expense and they deserve the time they need to present their message. Besides you won't want to miss anything!!

Cell Phones

Electronic communications devices should be turned off when class begins. There will be breaks and lunch periods when phone calls can be returned and messages retrieved.

Attendance

Students **MUST** attend the retreat and classes, including tours. If you arrive late or leave early, the day is counted as an absence. We do realize there are situations beyond your control and there may be emergencies. If you are unable to attend a class, please notify the chamber offices at 894-3157 or if on the actual day of class contact Mary Siders by cell phone at 806-577-7039.

Class Project

The class will be responsible for a community service project. The class will identify the project then be responsible for all planning, arranging for necessary resources if required, and execution of the project. The project should be completed by graduation if possible. We will begin discussing the class project at the retreat!

Enjoy the Ride and have FUN!!! Push yourself to go outside of your "box" and make the most of this experience! We are glad you are participating!
